about AXCEN

We make it easy to do business with China.

AXCEN®

As entrepreneurs for more than ten years in the Australia-China business environment, we have built unparalleled mutual respect and trust by achieving outstanding business success. We have established thriving businesses, **successful joint ventures and powerful partnerships**. We have created thousands of jobs with real-world connections, life-long friendships, mutual understanding and shared goals.

We are successful entrepreneurs in the Australia-China business environment. We know Australia, we know China and we know business. If you are genuinely ready to succeed in the Australia-China business sector, we can help you.

KAOLE®

The proud Aussie exporter trading as Kaole is a successful business **created by Yan and Paul Grieve**, principals of the AXCEN Australia-China Business Development consultancy.

Kaole is continually expanding its sources of fresh farm produce and Australian food products that meets its high standards of excellence and quality assurance.
